Hi again, everyone! Scotland is a wonderful country. I live in the capital city, Edinburgh, and I love photography. Here's my photo wall with some recent photos of fun places in Edinburgh! Which place would you like to visit?

My photo wall

This is Edinburgh Castle. It's a famous medieval castle on top of a high rock. Mary, Queen of Scots lived here many years ago. I visited Edinburgh castle with some friends last weekend. When you're at the castle, there's an amazing view over the city.

Edinburgh zoo is the most famous zoo in Scotland. There are more than 1,000 different animals. It is also the only zoo in the UK with koalas and giant pandas. Edinburgh zoo has got beautiful gardens. I love it! It's really cool!

The main shopping street in Edinburgh is Princes Street. It's a very long street with many clothes shops. I shopped there with my mum and dad last Saturday. It was quite boring but I enjoyed taking photos! Afterwards, we walked to Princes Street Gardens and played ball on the grass. It was good fun.

A brilliant place to visit in Edinburgh is the Royal Yacht Britannia. This was the boat of the British Royal family for 40 years. These days the boat is an interesting museum. You can visit the royal bedrooms, living rooms and kitchens. You can also see an old Rolls-Royce car in the garage! It's fantastic!
